JUDGE:

RE: Speaking Invitation
Bay Area Council Annual Dinner
San Francisco, California
Date in June or July

Mr. Charles B. Renfrew, on behalf of the San Francisco Bay Area Council and its President Angelo J. Siracusa, has relayed an invitation to you to be the featured speaker at the Council's annual dinner in June or July, as a fallback should President Reagan decline. The audience would consist of about 1,000 area government and civic leaders.

In view of the fact that some of the audience might be among those who will hear you speak at Bohemian Grove on July 22th, I recommend that you decline this invitation. If you agree, I have attached a letter of regret for your signature.

Dear Charlie:

Thank you for relaying to me the Bay Area Council's kind invitation to be the featured speaker at the Council's annual dinner in June or July. Unfortunately, a very hectic schedule precludes me from making another commitment at that time, and I must decline. I will be speaking at Bohemian Grove July 22nd, and will look forward to seeing many of the Council members then.

Warmest regards and best wishes for a very successful evening.

Sincerely yours,

/s/ Bill

Dear Bill:

I was sorry to have missed you on the telephone today but did talk to your secretary. She suggested that I put my request in writing, hence this letter.

I enclose a copy of a letter that I received which sets forth the request from the Bay Area Council. George Keller, our Chairman and CEO, is the current chairman of the Executive Committee of the Council. As you can tell from the enclosed letter, they are most hopeful that you will be the featured speaker at the Annual Dinner in June or July of this year. I explained to them that I thought their priorities were reversed -- they should have tried to get you as featured speaker and the President as fall-back -- but apparently this was not to be my decision.

As surprisingly was the case last year, I will be out of the country for the next three weeks, but you can leave word with my secretary, Sylvia Rozier (Tel: (415) 894-4113) in my absence.

I certainly hope you will accept and come to San Francisco and speak before the Council this year. It would be great fun for Barbara and me to see you again and get caught up.

Sincerely,

Charles B. Renfrew

Dear Charlie:

Following on our phone conversation a few moments ago, we would greatly appreciate it if you would call William Webster to invite him to be the featured speaker at the Council's annual dinner in June or July.

As I explained, we have invited President Reagan and believe we have a fair chance of his accepting, but at this date we need to have a commitment from someone else should the President decline.

The dates you can give Mr. Webster are:

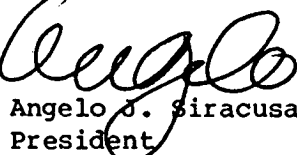

Friday, June 24	Monday, July 11	Monday, July 25
	Tuesday, July 12	Tuesday, July 26
Thursday, July 7	Wednesday, July 13	Wednesday, July 27
Friday, July 8	Thursday, July 14	Thursday, July 28

This would be an evening dinner at a major San Francisco hotel. Attendance would be about 1,000 business, government and civic leaders.

I am enclosing correspondence from your previous invitation.

Thanks for helping us out. I hope to hear from you before you leave for Japan.

Sincerely,

Angelo J. Siracusa
President
